

Washington's Source for Employee Benefits and Much More

Business Health Trust helps Washington's business community thrive by providing the high-quality, affordable employee benefits growing companies need to be competitive.

Whether you have two employees or more than 100, we can help you create a benefits program that attracts talent and keeps your employees healthy and productive—at a budget you can afford.

We offer exclusive choices from major carriers.

Our offerings give employers a choice of over 40 affordable medical plans from some of the largest and most respected carriers in the state, with comprehensive plan administration, so you can focus on what's important: your business.

Premera Blue Cross Medical Plans are offered to employers with 5 to 199 enrolled employees in a variety of industries through our 13 industry health trusts.

Kaiser Permanente Medical Plans are offered to employers in any industry with up to 50 employees.

We offer more than insurance

Comprehensive plan administration, so you can focus on what's important: your business.

Experience the convenience of consolidated billing, online payment, and access to benefits from your phone, PC or tablet for easy enrollment throughout the year. COBRA administration is available at no additional cost, and all plan documents and forms are quickly accessible online.

Opportunities for other benefits and cost savings.

Take advantage of a wide variety of additional services, resources and savings such as: on-demand virtual care, monthly wellness resources, cost-savings on common office supplies, business services, and up to 50% off on retail ORCA passes.

Small business advocacy and resources.

Get access to the policy advocacy, community connections, and business resources of the most respected, diverse business associations in the region. We are vigilant about staying on top of changes in the small business health insurance market and advocating for changes that benefit small businesses—nationally, and at the state and local level.
