# Renewals on AP Connect

Dedicated to helping your business grow, Advanced Professionals Insurance & Benefit Solutions has streamlined the renewal process through our fully integrated [AP Connect](#) producer platform.

connect

Once your renewal is ready, you will be able to access it anytime at your convenience on AP Connect. You will receive an email from [apconnect@advprofessionals.com](mailto:apconnect@advprofessionals.com) when your proposal can be downloaded and completed. Please note that the renewal will not be attached to the email; to view and complete the proposal, log into AP Connect and follow the below instructions:

## 4-Step Process to Complete Renewal

1. Select “Renewals” from the navigation bar, then select the “Opportunity Name” of the respective group and trust.
2. Next, click the “View Proposals” button on the top right.
3. You can then download the “Renewal Proposal.”
4. You will then be able to confirm how the group would like to renew their coverages. Options include:
  - » “Renew As Is” – Groups will not have to complete a GMA. A renewal confirmation will be sent out following the renewal selection.
  - » “Renew With Changes” – The GMA will be made available to you via the “Tasks” tab in AP Connect.

## 3-Step Process to Complete Group Master Application

1. For groups that “Renew with Changes,” both the Producer and Benefit Administrator (employer) will receive access to the GMA once the renewal process has begun. The initial preparer (i.e. Producer Support or Producer) will complete all required fields within the GMA.
2. The Benefit Administrator will then sign into AP Connect to complete and sign the GMA. All required fields must be completed before the Benefit Administrator can produce a signature. The Benefit Administrator has the ability to modify pre-filled information as needed.
3. In the last step, the Producer or Producer Support reviews and executes the completed GMA. Once executed, the GMA and required renewal documents will be delivered to Advanced Professionals, who will process the submission.

# Renewals Tips for 2023

1. Renewal forms are due by the 10th of the month prior to the group's renewal date. If the required renewal documents are not received by this date, group eligibility cannot be guaranteed for the scheduled renewal date. Therefore, providers and carriers may inform the employees that they do not have coverage.
2. If renewal forms are not received by the last day of the current contract, coverage will automatically terminate. We will assume the group desires to cancel coverage unless advised otherwise.
3. Pre-renewal premium invoices should be paid exactly as billed. Please advise your clients to contact the Third Party Administrator (TPA) with any premium or enrollment questions, concerns, or discrepancies. Any requested revisions will be reflected on the group's next billing statement. All taxes and fees associated with the Affordable Care Act (ACA) will continue to be included in the invoiced premiums.
4. In order to process new group or renewal documents, the group's membership in the CleanTech Alliance must be verified and noted on the GMA. Additionally, the producer must maintain membership with the CleanTech Alliance.
5. Any open enrollment changes can be directed to the TPA, Vimly Benefit Solutions, once the renewal documents have been submitted.
