### **New plan year also features addition of LightCare to vision coverage.**

With 2024 employee benefit renewals expected to arrive soon from the Alaska Industry Health Trusts offered by Associated Industries, we wanted to introduce some of the great additions for the new plan year.

For 2024, Alaska's only multi-industry Association Health Plan is proud to make access to care even easier for your clients by offering the first three medical office visits at \$5 co-pay (HSA plans excluded).

LightCare also is being introduced to vision coverage in 2024, providing a benefit to those who purchase glasses without prescription lenses (Exam Plus Plan excluded). Members also will have access to Short-Term and Long-Term Disability starting in 2024.
