A Simpler Enrollment Process for Your ALLtech Groups

November 11, 2022

Avoid duplicate processing with seamless integration between AIMS administration and payroll/HRIS systems.

Dear Valued Producer,

The days of duplicate enrollment processing are behind us for your ALLtech groups. Just in time to help your new and renewing groups, third-party administrator Associated Industries Management Services (AIMS) is introducing innovative technology to accept enrollment files from payroll and HRS systems.

AIMS is ready to start helping your groups integrate these systems or to explore their options. To learn more or to help your clients get started, contact the AIMS TPA team at aims@aiin.com or 800.274.5309.
