2024 Small-Group Plans for Business Health Trust are Now Available!

October 31, 2023

Four new medical plans added for 2024, along with new access to identity protection, pet insurance and more.

Dear Valued Producer,

With small-group plans in Washington state now available for 2024, Business Health Trust (BHT) is excited to announce that renewals are coming as soon as Friday for your groups enrolled in the BHT Small-Group Community-Rated Program.

For the new plan year, the medical offering with BHT partner Kaiser Permanente is pleased to introduce three new Summit PPO VisitsPlus plans and one new Summit PPO HSA. To help make access more equitable for 2024, in-network copays also will be simplified:

- The enhanced benefit will be removed from Kaiser Permanente's Access PPO plans.
- For all Access PPO Plans:
 - The Out of Network Deductible is now 2 times in network deductible.
 - The Out of Network OOPM is now unlimited – previously shared with in network.

Business Health Trust is also proud to expand its unique offerings to introduce for 2024:

- **Identity and Devices Protection:** Your new and renewing groups will have access to an additional layer of protection for their identity, personal information and connected devices with new Norton LifeLock Identity and Devices Protection plan.
- **Pet Insurance:** Discounted coverage for cats and dogs with PetPartners is now among the robust savings and discounts available to your Business Health Trust groups.
