### Enhancements to EAP, dental and vision demonstrate BHT's dedication to diversifying options for your clients

It's all about choices for your Business Health Trust (BHT) clients in 2023. From additions to the dental and vision suites to a new and enhanced employee assistance program (EAP), you will have more to offer your groups as we start planning for the new year.

For 2023, the BHT Industry Health Trusts with medical through Premera Blue Cross is introducing the new Cobalt suite, which utilizes the Heritage Network and offers three plans with deductibles of \$6,000, \$7,000 and \$8,000.

Updates to Business Health Trust's diverse ancillary products include:

- **Dental:** New Plan 8 offers a \$750 annual maximum
- **Vision:** New Exam Plus Plan offers an exam plus discounts on hardware; addition of Voluntary Vision Plan that matches the existing Plan A in both benefits and price; plus access to a [Computer VisionCare](#) rider
- **EAP:** [Behavioral Health Systems](#) is the new employee assistance program (EAP) provider, offering a four-visit plan for employees and dependents with expanded support, at no change to the current EAP rate
