# Got Groups Renewing May 1? Offer More Options by Getting a Quote From the CleanTech Alliance Health Trust

March 24, 2022

**Our unique strategies are geared toward solving difficult financial and retention situations in the construction and building sciences industries.**

Do you have groups in the energy, environmental and building sciences industries that are in the market for a new health plan? Be sure to get a quote from the CleanTech Alliance Health Trust, which remains your go-to market for the diverse cleantech industry.

If you have groups renewing May 1 that are facing a rate increase, our team is prepared to offer unique strategies geared to solve difficult financial and retention situations for employers. With a local and national trend focused on sustainable building practices, the CleanTech Alliance is uniquely positioned to take these companies into the next evolution of their industry.

For more information or for assistance creating a plan specifically tailored for your group, please contact Sales Manager Nathan Edmondson at [Nathan.Edmondson@advprofessionals.com](mailto:Nathan.Edmondson@advprofessionals.com) or 206.602.3558, or contact your dedicated sales representative.

## Reciprocal Members of the CleanTech Alliance

The goal of the CleanTech Alliance Health Trust is to provide plan offerings as diverse as our customers and their different industry sectors. With the addition of the below reciprocal relationships, we hope to help expand your access to prospective members for the Health Trust, while also continuing to broaden the diversity of the sectors we serve.

Evergreen Rural Water of Washington, formed in 1994, is a non-profit organization that provides training and technical assistance to water and wastewater systems throughout Washington state.

[Visit ERWOW.org](http://ERWOW.org)

The Roofing Contractors Association of Washington is designed for all roofing industry businesses or associated businesses with a core effort to bring fresh ideas, education and passion to support the state's roofing industry.
