Join ALLtech as We Hit the Trails This Summer

July 26, 2022

Annual fundraiser supports the Washington Trails Association.

Dear Valued Producer,

For the fourth consecutive year, ALLtech is taking its support of health and wellness to the trails by participating in the [Hike-a-Thon](#) fundraiser for the Washington Trails Association. And once again, ALLtech and its partners are asking you to join the fun and help us ensure there are trails for everyone, forever. Please watch our short video below to learn more about why ALLtech supports Hike-a-Thon and how you can help.

In addition to participating by hiking throughout August, ALLtech also is sponsoring Hike-a-Thon along with the partners Delta Dental of Washington and Advanced Professionals Insurance & Benefit Solutions, which you can read more about in the post [Advanced Professionals Sponsorship Supports Trails for Everyone, Forever](#).

Connecting with nature is critical to everyone's mental and physical health, and the ALLtech team and its partners believe that supporting Washington Trails Association through Hike-a-Thon will help ensure there are trails for everyone, forever.

Want to Help?

You can support trails and help your fellow hikers connect with the outdoors by making a donation to the [ALLtech team](#). Better yet, create your own fundraising page and join the [ALLtech team](#)! It's easy to register with plenty of resources including the [Hike-a-Thon Toolkit](#) and [FAQ](#). We'll see you on the trails!

IntegratedRx Now Available to Ease Access to Cancer, Cystic Fibrosis Prescriptions

Your clients enrolled in ALLtech medical now have access to IntegratedRx, allowing members to get their cancer or cystic fibrosis medications through their contracted clinic's integrated pharmacy. Offering an established line of communication between the doctor and the clinic pharmacist can help shorten dispensing times, improve adherence, and create a better health care experience starting with the first fill.

Direct fulfillment offers the following benefits:

- Allows providers to better manage any side effects
- Allows providers to make real-time changes to the course of treatment
- Avoids waste
- May improve medication adherence
- Allows members to start treatment sooner
- Creates a better member and provider experience from the first fill to the last fill

This model is unique in that it does not restrict members to a specialty pharmacy. This provides a solution that works best for members, while opening access to a drug channel that provides the member centric care at competitive network costs.

To share this information with your clients, please download the below flyers:

- [Regence](#)
- [Asuris](#)

How Do Members Participate in IntegratedRx?

If a member visits their doctor in a contracted clinic and is currently receiving their medication through Accredo, their doctor will automatically send their prescription to the clinic's on-site pharmacy for pick up.

For members that visit a doctor in a contracted clinic and are new to therapy, their doctor will send the prescription to the clinic's on-site pharmacy for pick up.

*Please note there are not any IntegratedRx providers currently contracted in Idaho.

GeekWire Rooftop BBQ + Sounders Day is August 2!

Get to know the GeekWire community while you celebrate summer, soccer and sensational views at the [GeekWire Rooftop BBQ + Sounders Day](#) next Tuesday, August 2! This event is a great opportunity to meet with clients and prospects at a fun-filled party that will include celebrity guests, cool swag and other surprises.

The party kicks off at 4 p.m. with a pre-match BBQ at the Pioneer Square headquarters of First Mode, 542 First Ave. S., Suite 300, just footsteps away from Lumen Field. Then the group will march to the Seattle Sounders vs. FC Dallas match just before 7 p.m. to cheer on the Rave Green.

To register or for more information, visit the [GeekWire event website](#).
