5 New Primary Care Clinics Now Accessible to Life Science WA Health Trust Members

April 14, 2022

Valuable partnership with Kinwell Medical Group aims to improve access to care throughout Washington.

As of today, your clients enrolled in the Life Science Washington Health Trust have even more options when they are seeking primary health care through a valuable partnership between Premera Blue Cross and [Kinwell Medical Group](#).

Since [announcing their collaboration](#) to improve access to primary care throughout Washington state, Kinwell Medical Group today opened its fifth new primary care clinic in Lynnwood. Other current locations include Pasco, Renton, Wenatchee and Yakima, with additional clinics schedule to open later this year.

Designed as integrated care centers, Kinwell Medical Group's clinics provide onsite access to a variety of services and are accessible *exclusively* to people who have Premera Blue Cross, Premera Blue Cross Medicare plans or LifeWise Health Plan of Washington as their primary insurance, as well as BlueCard holders.

"We want to provide personalized, wholehearted care by removing obstacles for patients looking to improve their health and create a real relationship with their care team," said Dr. Mia Wise, president of Kinwell Medical Group. "We look forward to expanding our offering into communities all over Washington state in the coming years."
