About the Hotlines

In addition to the unique challenges we currently face during the COVID-19 pandemic, Archbright Advisors help employers navigate a wide variety of HR and safety issues.

Access to the Hotlines is unlimited for BHT members. Call or email as many times as you need to, every weekday from 8am to 5pm, for real-world advice, resources, and a plan of action for the issues facing your workplace.

Whether you need guidance through a complex situation, answers to specific questions, or a conversation with a trusted colleague to talk through an issue, Archbright is here to help.
